**LETTER OF MAINTENANCE AUTHORITY 18/2023 – RECERTIFICATION
 OF AIROD SDN BHD – KUANTAN AS AN APPROVED MAINTENANCE
 ORGANISATION TO PERFORM INTERMEDIATE LEVEL MAINTENANCE
 (ILM) AND DEPOT LEVEL MAINTENANCE (DLM) FOR HAWK
 MK108/208**

Reference:

- A. Maintenance Management Plan (MMP) AIROD Sdn Bhd Issue 2 Rev 6 dated 16 May 2023.
- B. KP/PERO3A/RT215/2018/OE.
- C. DGTA 100-6/1/2/1 dated 20 Sep 2023 – Minutes of Meeting Board of State Technical Airworthiness - Organisation Approval (BoSTA - OA) Serial 109/23.

1. On behalf of the Malaysian State Airworthiness Authority, I have the pleasure in assigning Maintenance Authority (MA) to AIROD Kuantan (Hawk MK108/208) as an Approved Maintenance Organisation (AMO) for:

- a. Intermediate Level Maintenance (ILM) for Minor Servicing, Minor Star Servicing, Modification incorporation as approved design data from OEM or AEO and Unscheduled Maintenance.
- b. Depot Level Maintenance (DLM) for Major Servicing, Modification incorporation as approved design data from OEM or AEO and Unscheduled Maintenance.

RESTRICTED

2. In conjunction with this approval, attached is the relevant AMO certificate (S/No: AMO 18/2023).

3. This MA is subject to the conditions and limitations detailed in Annex A. Unauthorised deviation from the conditions and limitations shall be grounds for the withdrawal of this MA. Therefore, changes to AIROD Kuantan scope and level of activity, organisational structure, personnel requirement and maintenance management procedures which could affect the conditions under which the MA is assigned must be reported in writing and accepted by the Director General Technical Airworthiness.

4. The award of AMO status is a major achievement for AIROD Kuantan, hence I would like to compliment its management and staff for this significant accomplishment.

Ir. NORDIN BIN ABDUL GHANI
Brig Gen RMAF
Director General Technical Airworthiness

ANNEX A TO
DGTA.212/1/11
DATED 26 OCT 23

LETTER OF MAINTENANCE AUTHORITY 18/2023
CONDITIONS AND LIMITATIONS OF MAINTENANCE AUTHORITY

1. The assignment of Maintenance Authority (MA) to AIROD Kuantan as an AMO is made contingent upon the following conditions and limitations:
 - a. The MA shall be limited to perform Intermediate Level Maintenance (ILM) for Minor Servicing, Minor Star Servicing, Modification incorporation as approved design data from OEM or AEO and Unschedule Maintenance.
 - b. Depot Level Maintenance (DLM) for Major Servicing, Modification incorporation as approved design data from OEM or AEO and Unschedule Maintenance as defined in the Maintenance Management Plan (MMP), performed under the appropriate agreement/contract. KP/PERO3A/RT215/2018/OE.
 - c. AIROD Kuantan shall comply with all applicable clauses of Regulation 4 and 5 of PU 2103 – Technical Airworthiness Management Manual (TAMM) 2nd Edition.
 - d. AIROD Kuantan shall manage maintenance in accordance with the approved latest revision of the MMP.
2. The State Technical Airworthiness Authority shall be advised of any changes to the information in the MMP or in any of the other principal plans listed therein. Therefore, changes in any of the organisation's manuals and instructions which are referred to in these principal plans must also be communicated to the Directorate General Technical Airworthiness (DGTA).
3. AIROD Kuantan staff who is responsible for the maintenance management aspects of the organisation shall be the Senior Maintenance Manager (SMM). Hence, the SMM will be the signatory responsible for the certification and approval of all documentations related to the maintenance works.
