RECERTIFICATION OF AIROD SDN BHD - ALOR SETAR AS AN APPROVED MAINTENANCE ORGANISATION (AMO)

Reference:

- A. Maintenance Management Plan (MMP) AIROD Sdn Bhd Issue 2 Rev 8 dated 08 May 24.
- B. KP/PERO3B/RT210/2020/OE JIL 3 (7) dated 20 Dec 23.
- C. DGTA 100-6/1/2/1 dated 24 May 24 – Minutes of Meeting Board of State Technical Airworthiness - Organisational Approval (BoSTA - OA) Serial 124/24.

1. On behalf of the Malaysian State Airworthiness Authority, the Directorate General Technical Airworthiness (DGTA) is pleased to recertify AIROD Sdn Bhd - Alor Setar as an Approved Maintenance Organisation (AMO) to perform Organisational Level Maintenance (OLM) and Intermediate Level Maintenance (ILM) for PC 7 MK II aircraft as defined in the Maintenance Management Plan (MMP). In conjunction with this recertification, attached is the relevant AMO certificate (S/No: AMO 12/2024).

2. This recertification is subject to the conditions and limitations detailed in Annex A. Any unauthorised deviation from the conditions and limitations shall be grounds for the withdrawal of this recertification. Therefore, changes to AIROD Sdn Bhd - Alor Setar scope and level of activity, organisational structure, personnel requirements and maintenance management procedures which could affect the conditions under which the

RESTRICTED

approval is assigned must be reported in writing and accepted by the Director General Technical Airworthiness.

3. Finally on behalf of the authority, we would like to congratulate AIROD Sdn Bhd - Alor Setar management and staff for this achievement and sustain this capability moving forward.

RUSZALI BIN ZAKARIA

Brig Gen RMAF
Director General Technical Airworthiness

ANNEX A TO
DGTA.212/1/1
DATED 5 JUL 24

LETTER OF ORGANISATIONAL APPROVAL 12/2024
CONDITIONS AND LIMITATIONS OF ORGANISATIONAL APPROVAL

1. The recertification of Organisational Approval to AIROD Sdn Bhd - Alor Setar as an AMO is made contingent upon the following conditions and limitations:
 - a. The AMO shall be limited to perform Organisational Level Maintenance (OLM) and Intermediate Level Maintenance (ILM) for PC 7 MK II aircraft as defined in the Maintenance Management Plan (MMP), performed under the agreement/contract KP/PERO3B/RT210/2020/OE JIL 3 (7) dated 20 Dec 2023.
 - b. AIROD Sdn Bhd shall comply with all applicable clauses of Regulation 4 and 5 of PU 2103 – Technical Airworthiness Management Manual (TAMM) 2nd Edition.
 - c. AIROD Sdn Bhd shall manage maintenance in accordance with the approved latest revision of the MMP.
2. The State Technical Airworthiness Authority shall be advised of any changes to the information in the MMP or in any of the other principal plans listed therein. Therefore, changes in any of the organisation's manuals and instructions which are referred to in these principal plans must also be communicated to the Directorate General Technical Airworthiness (DGTA).
3. AIROD Sdn Bhd staff member who is responsible for the maintenance management aspects of the organisation shall be the Senior Maintenance Manager (SMM). Hence, the SMM will be the signatory responsible for the certification and approval of all documentations related to the maintenance works.
