- C. DGTA 100-6/1/2/1 dated 6 Sep 2023 – Minutes of Meeting Board of State Technical Airworthiness - Organisation Approval (BoSTA - OA) Serial 108/23.

1. On behalf of the Malaysian State Airworthiness Authority, I have the pleasure in assigning Maintenance Authority (MA) to Airod Sdn Bhd - Subang (AIROD VVIP Fixed Wing) as an Approved Maintenance Organisation (AMO) for:

a. Falcon 900.

(1) Organisation Level Maintenance (OLM) for Pre, Post and Turn Around Inspection and Unscheduled Maintenance.

RESTRICTED

RESTRICTED

(2) Intermediate Level Maintenance (ILM) for 300 Hours or Six(6) Month Check A Inspection, 1200 Hours Check B Inspection and Optimized Continuous Inspection Program (OICP) at every 50 Hours.

(3) Depot Level Maintenance (DLM) for Up to 3750 Hours or Six(6) years 1C Inspection.

b. GEX BD700.

(1) Organisation Level Maintenance (OLM) for Pre, Post and Turn Around Inspection and Unscheduled Maintenance.

(2) Intermediate Level Maintenance (ILM) for 500 Hours 1A Inspection, 1000 Hours 2A Inspection, 1500 Hours 3A Inspection, 3000 Hours 6A Inspection, 4500 Hours 9A Inspection, 15 Months 1C Inspection, 30 Months 2C Inspection, Modification incorporation as approved design data from OEM or AEO and Unscheduled Maintenance.

2. In conjunction with this approval, attached is the relevant AMO certificate (S/No: AMO 17/2023).

3. This MA is subject to the conditions and limitations detailed in Annex A. Unauthorised deviation from the conditions and limitations shall be grounds for the withdrawal of this MA. Therefore, changes to AIROD VVIP Fixed Wing scope and level of activity, organisational structure, personnel requirement and maintenance management procedures which could affect the conditions under which the MA is assigned must be reported in writing and accepted by the Director General Technical Airworthiness.

4. The award of AMO status is a major achievement for AIROD VVIP Fixed Wing, hence I would like to compliment its management and staff for this significant accomplishment.

**LETTER OF MAINTENANCE AUTHORITY 17/2023**  
**CONDITIONS AND LIMITATIONS OF MAINTENANCE AUTHORITY**

1. The assignment of Maintenance Authority (MA) to AIROD VVIP Fixed Wing as an AMO is made contingent upon the following conditions and limitations:

a. Falcon 900.

(1) Organisation Level Maintenance (OLM) for Pre, Post and Turn Around Inspection and Unscheduled Maintenance.

(2) Intermediate Level Maintenance (ILM) for 300 Hours or Six(6) Month Check A Inspection, 1200 Hours Check B Inspection and Optimized Continuous Inspection Program (OICP) at every 50 Hours.

(3) Depot Level Maintenance (DLM) for Up to 3750 Hours or Six(6) years 1C Inspection.

b. GEX BD700.

(1) Organisation Level Maintenance (OLM) for Pre, Post and Turn Around Inspection and Unscheduled Maintenance.

(2) Intermediate Level Maintenance (ILM) for 500 Hours 1A Inspection, 1000 Hours 2A Inspection, 1500 Hours 3A Inspection, 3000 Hours 6A Inspection, 4500 Hours 9A Inspection, 15 Months 1C Inspection, 30 Months 2C Inspection, Modification incorporation as approved design data from OEM or AEO and Unscheduled Maintenance.

as defined in the Maintenance Management Plan (MMP), performed under the appropriate agreement/contract. KP/PERO3A/RT214/ 2018 /OE Jil.4 (06) bertarikh 12 Jan 23.

c. AIROD VVIP Fixed Wing shall comply with all applicable clauses of Regulation 4 and 5 of PU 2103 – Technical Airworthiness Management Manual (TAMM) 2<sup>nd</sup> Edition.

d. AIROD VVIP Fixed Wing shall manage maintenance in accordance with the approved latest revision of the MMP.

2. The State Technical Airworthiness Authority shall be advised of any changes to the information in the MMP or in any of the other principal plans listed therein. Therefore, changes in any of the organisation's manuals and instructions which are referred to in these principal plans must also be communicated to the Directorate General Technical Airworthiness (DGTA).

3. AIROD VVIP Fixed Wing staff who is responsible for the maintenance management aspects of the organisation shall be the Senior Maintenance Manager (SMM). Hence, the SMM will be the signatory responsible for the certification and approval of all documentations related to the maintenance works.
